

PACIFIC PROFILES

*A fine aerial shot of P-51K-10 "Betty Lou", as illustrated in Profile 74. It carries the same squadron number 48 as its Thunderbolt predecessor of the same name.*

*First Lieutenant William "Bill" McClure on the wing of P-51D-15 Hopwood Hick III (see Profile 75) at Ie Shima. The white invasion bands are evident, as are rockets attached under the wing.*
