

DIRECTORATE OF AIR TRANSPORT

*VHCDM retained its serial number, in an unusual variation of DAT markings.*

*C-50 callsign VHCDK, the subject of Profile 71, at the eastern end of Seven-Mile 'drome in late 1944 after it was stripped down to natural finish and given field number W7697.*

*Evelyn Lee was in DAT service when this photo was taken at Garbutt, but its serial number is unknown.*
